

CARLOW / KILKENNY / SOUTH TIPPERARY / WATERFORD / MEXFORD

Local Mental Health Forums

Mental Health Forums are for people who access services, family members and supporters, service providers and interested community members and groups.

This is a partnership approach to mental health service improvement where we meet every 4-6 weeks to take feedback, progress plans, and decide together how to improve things for everyone.

For more information contact :Bridget Walsh, bridget.walsh6@hse.ie
