# Building Connectedness in Our School Communities

Up until  
December  
31st 2021

A Series of Online Talks for Teachers Parents and Young People in Post Primary Schools in Co. Wexford.

[Click here to view them](#)

These talks will tackle common issues of concern in the school community such as:

- Positive parenting
- Coping with anxiety
- Promoting resilience and positive mental health.

Speakers are highly renowned, well-respected leaders in the fields of:

Mental health  
Psychology  
Psychotherapy  
Positive Behaviours  
Interpersonal effectiveness

The Community Mental Health Fund, supported by the Department of Health
