UKRAINE SUPPORTS

Understanding trauma and supporting the needs of people fleeing war and / or persecution

Understanding trauma and supporting the needs of people fleeing war or persecution

HSE Cork Kerry Community Healthcare in conjunction with the HSE National Social Inclusion Office and HSE Mental Health delivered this free on-line training.

Please find link for the training [here](#).

Please also find a directory of resources [here](#)

Who is this training for?

This training is for anyone working with or supporting children, adults or families who have fled war and / or persecution, including those providing support to people who have arrived in Ireland from Ukraine and all other people seeking International Protection here in Ireland. It is suitable for people working in Statutory and Non-Statutory organisations such as the HSE, Child and Family Agency, Department of Education and Science, Department of Social Protection, Department of Justice, NGO's and community support services.

What are the learning goals?

Participants will leave with an awareness / basic understanding of the following:

- War trauma and Post Traumatic Stress Disorder (PTSD)
- The psychosocial needs of people who have fled war and are adjusting to a new life in Ireland
- Understanding the barriers that interfere with people accessing and benefitting from supports
- Helpful do's and don'ts when working with people who have survived war trauma
- When and where to get help for trauma / PTSD
- Understanding the importance of minding your own psychological wellbeing when helping others

Trainer

Dr. Jennifer Hayes is Principal Psychology Manager for Social Inclusion in Cork Kerry Community Healthcare. She is a qualified clinical psychologist and a counselling psychologist and has supported children, adults and families across multiple services in the HSE for almost 20 years. Over the last number of years she has worked extensively with Syrian and Iraqi war survivors living in Ireland as part of the Resettlement Project. Her area of clinical expertise is trauma, PTSD and supporting people who have fled war and persecution are resettling in

Ireland. She has represented the HSE on selection missions with Department of Justice on to Lebanon, Jordan and Greece. In her downtime she plays Gaelic football with Gaelic for Mothers and Others and is an avid Cork hurling supporter.

○ **Announcement of Additional Funding for Community Response to Support People Arriving from Ukraine.**

Ministers Humphreys and O'Brien announce an additional €10.5 million funding for the community response to support people arriving from Ukraine

From [Department of Rural and Community Development](#)

Published on 1 June 2022

Last updated on 1 June 2022

- **€5 million investment in the Social Inclusion and Community Activation Programme (SICAP)**
- **a further €5 million for the “Ireland for Ukraine Fund” – administered by Community Foundation Ireland**
- **€500,000 to assist volunteer centres to deal with increased demand on services**

Minister for Rural and Community Development, Heather Humphreys, and Minister of State with responsibility for Community Development, Joe O'Brien, have announced an additional €10.5 million in funding to assist the community response to support people arriving from Ukraine.

This funding will strengthen the capacity of those already working across the community and voluntary sector to improve the experience and quality of life of people arriving from Ukraine.

As new arrivals begin to settle into community life in Ireland, this funding will help ensure that we continue to look after those most in need.

○ Collaboratively Supporting Parents to put Children First : Reflections from the ABC Programme.

See Invitation below to a National ABC Event, ***“Collaboratively Supporting Parents to put Children First: Reflections from the ABC Programme”***, which will take place at the National College of Ireland, Mayor Street, Dublin, on Wednesday 15th June from 9 am to 1 pm.

The event provides networking opportunities to see first-hand the work across the 12 ABC sites. Also, Practice Papers will be launched on the ABC work in Oral Language and Infant Mental Health. A panel discussion will discuss and reflect on the role ABCs play in collaboratively supporting parents to ensure better outcomes for children and families.

We do hope you or some of your colleagues will be available to join us on the day.
