→ LEADER Consultations

A Chara,

As you may be aware, a new LEADER Programme will commence in late 2023 and operate until 2027. For this period, County Wexford has been allocated €7.3 million. In order to secure this funding allocation, WLD with the cooperation of Wexford County Council & Wexford LCDC must now prepare a robust, high quality and representative strategic plan outlining how the money can best be used for sustainable development in the county.

WLD are now commencing a wide-ranging consultation process with the business and community & voluntary sectors. This will ensure that the delivery of the next LEADER programme reflects the current and anticipated developmental needs of the county. With that in mind, the LEADER Team at WLD would be delighted to see you at one of our public consultation meetings being held throughout the county during the next two weeks.

All meetings are from 7pm to 9pm with light refreshments available from 6.30pm.

- Brandon House Hotel, New Ross - Wednesday 19th April
- Coast Hotel, Rosslare Strand - Thursday 20th April
- Ferrycarrig Hotel, Wexford - Monday 24th April
- Ashdown Park Hotel, Gorey - Wednesday 26th April
- Riverside Park Hotel, Enniscorthy - Thursday 27th April

We would also like you to complete one of our short surveys. There are two surveys – one for the business & social enterprise sector and one for the community & voluntary sector.

→ Online Recruitment Event - MSocSc Community Work and Youth Work - Monday, 24th April, 6.30-8pm

We are holding an online recruitment event for the Master of Social Science Community Work and Youth Work next Monday from 6.30-8pm. Flyer attached with the link and more info.

We believe hearing from past and current students and employers, in a participative session, is a much more powerful way to communicate the value base of the Department, the pedagogy that students learn through, the capacity to impact on social change and the fun and creativity that is part and parcel of the programme. No website or flyer can do that!

As always, word of mouth and nudges of encouragement really help to get people there.

We would appreciate if you can forward to your network, share on social media and if you think there is someone who needs to get their professional qualification and do this Masters then please encourage them to join us. There will be plenty of space for Q&A as part of the session.

The link for joining on Teams is here: <https://bit.ly/40WThu7>
